TO: Each Health Deputy

FROM: John Viernes, Jr., Director 
Substance Abuse Prevention and Control

SUBJECT: **FUNDING AUGMENTATION FOR BEHAVIORAL HEALTH SERVICES, INC.,
COUNTY CONTRACT NOS. H-801603 AND PH-000645**

This is to inform you that Department of Public Health (DPH) plans to use the delegated authority granted by the Board on May 30, 2006 and June 16, 2009 (Board Agenda Synopsis #'s 34 and 35) to implement the adjustments and reallocations provision as found within the contract with Behavioral Health Services, Inc. This authority allows the Director of DPH, or his authorized designee, to augment funds in amounts up to 25 percent of the contract's budget.

DPH proposes to augment the contract to enable the agency to maximize contracted services.

Attachment 1 is a description of the services to be revised by this amendment, and Attachment 2 outlines the agency's current and proposed funding amounts.

If you have any questions or need additional information, please let me know.

OUTPATIENT DRUG-FREE COUNSELING SERVICES (ODFC-Ongoing)

Outpatient Drug-Free Counseling services are alcohol and drug treatment and recovery services provided in a drug-free, non-drinking environment, directed towards alleviating and/or preventing alcohol and drug problems. Services, which do not require residency at a provider's facility as part of the treatment and recovery process, include crisis intervention, counseling, and client referral services, and are provided to clients who are affected by alcohol and/or drug related problems, among individuals, or participants, pregnant and parenting women and their children, families, specific population groups, or the general community. Services may also include a referral of a participant for medical detoxification services, residential and recovery house services, methadone treatment program services, psychiatric services, or other treatment services deemed appropriate by Contractor.

ALCOHOL AND DRUG RESIDENTIAL SERVICES (RS-Ongoing)

Alcohol and drug residential services is a twenty-four (24) hour residential program where recovery services, and/or specialized recovery services are made available to persons who have alcohol and/or drug problems. Program participants are to be involved in no less than six (6) hours of planned treatment and recovery activities per day under the supervision of trained staff. Specialized recovery services may include therapeutic intervention by professional staff such as Licensed Clinical Social Workers, Marriage and Family Therapists, and Doctors of Philosophy. The alcohol and drug residential services program is an accessible resource to the community for information about alcohol and drug related issues, referrals to appropriate alcohol and drug services, and opportunities for volunteer activity.
